Hey "Name"... How's it going?

Listen I only have a quick moment but I have an important question for you... I have just started a new business because.... (fill in the blank (for example because I was not getting paid what I was worth in my job) and we are growing super-fast so we are looking for some smart people to help us expand.

If it didn't interfere with what you are doing and you could make a difference in people's lives while some great money would be open to take a look?

NO Thanks:

Ok great - no problem... I gotta run because I have lots of people to talk to day, but I would love to catch up soon Take care Name and have a great day.

YES ... or Maybe what is it.

Ok great I would love to show you. what I can do for you is add you to a fb group with more info and you can see the crazy results people are getting.

After you check it out If you would like to know more ill be happy to answer all your questions and if its not for you its totally fine and we will just forget about it.. how does that sound?

THEY: Sounds great.

YOU: Ok no problem ... when do you think you will have about 10 minutes to take a look?

THEY: Tonight at 8

YOU: Great should I call you around 8.30 to see what questions you have about it.

THEY: Sounds good

YOU: Ok just so you know a little about it let me give a very brief overview.

Om working with a company that has made a breakthrough in health. They have a unique patented and natural product that is reducing **inflammation** like crazy. We have had amazing results with pain sleep problems, low energy, cognitive function and many other things.

I think you will be very impressed with what you see and if you feel you want to be part of our mission we will coach and train you to make some really good money but if it's not for you we will just forget about it... sound cool?

THEY: YES that's fine

YOU: Brilliant. Take care,(Name)... have a great day and we will talk tonight at 8:30pm.

Listen I only have a quick moment but I have an important question for you...
I have just stumbled across a new natural **breakthrough** that has had a major impact on my own health... are you keeping your eyes open for ways to improve your health?

Yes always

Cool... just out of curiosity... what would be the number 1 thing you would want to improve

"Energy.

Ok... If it was something that could improve your energy would you be open to taking a short look at it.
